Dear Counselors:

Thank you for your update. Additional clarification is requested by Commission staff on what issue or matter are the parties referencing as being settled between them in the attached March 13, 2020 letter. For example, was it the motion to compel or discovery dispute (which was to be heard in oral arguments next week on the 18th) that settled, or did your joint letter mean that the matter as a whole has been settled by the parties?

Your attention to this matter is appreciated.

With kind regards, I remain
